CONTAINER FIT OUT KITS & EXPEDITIONARY BUILDINGS

DEPLOYABLE
By AIR, LAND and SEA. Move your assets globally, with a high level of ORGANIZATION.

LIGHTWEIGHT
Designed to be under 10,000 lbs empty weight, including container, even for the 20ft model.

SECURE
Shipping panels lock into rack up in transit to protect assets in transit stored neatly above racks when not in use.

TACTICAL
Multiple RACKBOX units can be built into modular storage facilities in hours.

FULL ACCESS
Get to the part you need, when you need it, FAST.

ADJUSTABLE
Shelves easily adjust in 3in increments to allow RACKBOX to adapt as needs change.
